

**RAN
XIE**

■ **COMPOSITOR AND VIDEO EDITOR**

ABOUT

I am a Post Production Artist who loves seeing stories and ideas realised in video form. In the 3D Industry, I am a Compositing and Lighting Artist with some skill in other departments such as Layout, Modelling and Surfacing. In the broader media industry, I am also a Video Editor and Photographer.

EXPERIENCE

2016 - Present

Kategari's Productions

Video Editor & YouTuber

Kategari's Productions is my own Freelance Video Production company

- I also run a YouTube Channel with over 3000 subscribers
- Have worked with clients on large and small video productions
- I use my own equipment: Camera, Tripod, Microphone, Lights

2017 - 2019

Visionair Media

Videographer and Photographer

Visionair Media (partner with TedX) is a Video Advertising and Photography company

- I was the main editor for video productions
 - > Sydney Train Development Documentary
 - > Tour Bus Advertising
 - > Real Estate Property Development
- Also participated in the shooting of such videos
 - > Including remote area shooting such as in town of Jerideree

2018 - 2019

Study Space

Compositor and Video Editor

Study Space is an online video education platform for Primary School students.

- During its start up I assisted with determining how the content was to be produced
- Throughout my tenure I was responsible for any special effects and composites for each video
- Together we produced over 300 videos in a single year
- Content for Pre-K to Yr6
